

## Foundation Scholarship - Examination Requirements

Course of Study:	Economics TJH
School/Discipline:	School of Social Sciences and Philosophy
Academic Year:	2024-25

Foundation Scholarship involves a searching examination, set and assessed so as to select students of outstanding ability. The objective of the Foundation Scholarship examination is to identify students who can consistently demonstrate exceptional knowledge and understanding of their subjects. The examination requires candidates to demonstrate: skill in synthesising and integrating knowledge across the full range of the set examination materials; rigorous and informed critical thought; and, in appropriate disciplines, a highly-developed ability to solve problems and apply knowledge.

**Please include a brief statement below which explains how your examinations succeed in identifying the qualities associated with Scholarship.**

**Paper 1:** includes a general component;

**Paper 2:** includes a general component;

**Paper 3:** for students who have dropped Economics after their JF year, and this includes a general component;

**Paper 4:** this is based on Quantitative Methods and includes thought-provoking questions on theory and applications;

**Paper 5:** this is based on the module, Economic Issues A, and includes general questions.
