

## *Benefactors of Trinity College Dublin*

Trinity Development and Alumni is administered by Trinity Foundation, an independent charity (CHY10898) established in 1994, and charged with responsibility for, and exists solely to support, the development (fundraising) and alumni relations activities of Trinity College Dublin.

Trinity Development and Alumni was established with the objective of raising funds to support the development of Trinity College Dublin. It plays a vital role in ensuring that Trinity College has the financial resources to remain a leading, internationally recognised university. In the nine month period, 1 October 2022 to 30 June 2023, Trinity Development and Alumni was successful in raising funds (cash and pledges) of €21.1 million from 1,970 donors.

The Trustees of Trinity Foundation join the Provost, Fellows and Scholars of Trinity College in thanking all supporters of the University. Significant philanthropic donations, which have been used to support College activities, were received and this funding is a testament both to the quality of the projects and to the generosity of our dedicated supporters.

Special thanks are due to those who donated through the U.K. Trust for Trinity College Dublin, the University of Dublin Fund in the U.S.A. and all alumni who contributed to the Trinity Annual Fund.

See also Library of Trinity College for gifts of books and materials.
