Procedure in cases of suspected academic misconduct

1. Purpose

Trinity College Dublin, the University of Dublin, hereafter referred to as Trinity, is

committed to upholding academic integrity, and considers academic misconduct to

be serious and academically fraudulent and an offence against academic integrity

that is subject to the approved Trinity procedures in cases of suspected academic

misconduct.

This document sets out the approved procedure to be followed in cases where

academic misconduct is suspected to have taken place, in accordance with the the

University Calendar, Part II and Part III on Academic Integrity. This procedure should be

read in conjunction with the Academic Integrity Policy and the Calendar Part II

(undergraduate) or Calendar Part III (postgraduate) on Academic Integrity. This

procedure was developed in consultation with the National Academic Integrity

Network's Framework for Academic Misconduct Investigation and Case Management.

2. Scope

This procedure applies to all undergraduate and postgraduate taught students at Trinity

cases of suspected misconduct.

Cases of suspected academic misconduct for postgraduate research students are out of

scope of this procedure. They should be referred directly to the Dean of Graduate

Studies, as outlined in the regulations in Calendar Part III.

4. Procedure

All documentation and resources relating to this procedure can be found on the Academic Affairs website.

If academic misconduct as referred to in Calendar Part II §96 or Part III §50 is suspected, it is recommended that where appropriate, the module co-ordinator arranges an informal meeting with the student to discuss the instance of concern. Following this informal meeting, if the module coordinator still suspects that there has been a breach of academic integrity, or if a meeting is not deemed necessary, the module co-ordinator must complete the Academic Integrity Form which will provide an indicative score and level. The relevant procedure should be followed depending on the indicative level, as below:

- i. Level 1: Level 1 is considered to reflect poor academic practice and level 1 consequences should apply. The module coordinator must inform their School's Director of Teaching and Learning (Undergraduate or Postgraduate), or their designate, who will either approve the outcome, or if they form the view that the misconduct is more serious, agree an alternative level with the module coordinator.
- ii. Levels 2 3: The module coordinator must inform their School's Director of Teaching and Learning (Undergraduate or Postgraduate), or their designate, of the suspected infringement, the indicative consequence, and a proposed lesser consequence should the student admit that misconduct has taken place. If the Director or designate approves the proposed lesser consequence, the module coordinator will write to the student advising them of the suspected infringement of academic integrity and offering them the option of the lesser consequence should they admit that misconduct has taken place. If the Director or designate forms the view that the alleged misconduct requires further investigation, or if the student denies the academic misconduct, the case will proceed to the Academic Integrity Meeting.

iii. Level 4 cases will be referred directly to the Junior Dean, who is responsible for disciplinary procedures relating to students.

5. **Academic Integrity Meeting**

- 5.1. The Director of Teaching and Learning (Undergraduate or Postgraduate), or their designate, writes to the student and the student's tutor indicating the nature of the suspected academic misconduct and the evidence for it, and inviting the student to:
 - Respond to the suspicions by completing and submitting the Academic i. Integrity Response Form within an appropriate timeline determined by the School;
 - Indicate whether or not they (and a representative) plan to attend an ii. academic integrity meeting on a specified date.
- 5.2. The student should be given a minimum of three days' notice to attend an Academic Integrity Meeting.
- 5.3. If the student and or/representative is unable to attend, or chooses not to attend, the meeting will take place as planned. The Academic Integrity Response Form will be the student's submission to the meeting.
- 5.4. The Academic Integrity Meeting is attended by:
 - a Director of Teaching and Learning (Undergraduate or Postgraduate) or their designate (Chair);
 - ii. two academic colleagues from the School (at least one from the discipline to which the module belongs);
 - iii. the student and their tutor, or a member of the Postgraduate Advisory Service (or a representative of the Students' Union), if they wish;
 - iv. the co-ordinator of the module, if they wish, but only to present additional evidence.

5.5. The Academic Integrity Meeting considers the assessment or examination(s) in question; the Academic Integrity Form (and any verbal submissions by the module co-ordinator, if present); the student's Academic Integrity Response Form (and any verbal submissions by the student and/or tutor, if present).

- 5.6. The Academic Integrity Meeting assesses the abovementioned evidence in order to determine at what level (if at all) academic misconduct has occurred and selects a consequence appropriate to that level, giving due consideration to any mitigating circumstances.
- 5.7. If it is not determined that academic misconduct has occurred, students should be advised of available supports.
- 5.8. The Chair completes the Academic Integrity Meeting Decision Form, which is submitted for approval to the Senior Lecturer/Dean of Undergraduate Studies or Dean of Graduate Studies.
- 5.9. The Senior Lecturer/Dean of Undergraduate Studies or Dean of Graduate Studies may approve, reject, or vary the recommended consequence, or seek further information before making a decision.
- 5.10. If the Senior Lecturer/Dean of Undergraduate Studies or Dean of Graduate Studies considers that the consequences provided for under the above procedure are inappropriate given the circumstances of the case, he/she may also refer the matter directly to the Junior Dean who will interview the student and may implement the procedures as referred to under Conduct and College Regulations in Calendar Part II or Part III.
- 5.11. If the Senior Lecturer/Dean of Undergraduate Studies or Dean of Graduate Studies approves the recommended consequence, the Chair communicates the decision to the student, and their tutor if applicable.
- The appropriate consequence is applied, and the outcome is recorded on SITS. 5.12.
