Structure and delivery

Year One: commences with a full week in September and thereafter one or two days per week for the remainder of the academic year (depending on whether the course is being undertaken full-time or part-time).

Year Two: attendance at workshops throughout the academic year. A blended learning approach (online and face to face) is utilised in the delivery of theoretical content which includes lectures, group discussions and self-directed learning. The assessment process is a combination of written and practical assignments.
