

Post-Registration Children's Nursing Student

Children's Health Ireland Job Specification and Terms & Conditions

Job Title & Grade	<p>Post-Registration Children's Nursing Student</p> <p>Grade: Participants will retain their staff nurse incremental credit date and will be granted incremental credit (if applicable) during the programme.</p>
Campaign Reference	PRCNS-CHI.03/2021-22
Closing Date	Closing date 31st Jan 2022 at 5pm
Duration of Post	Fixed Term Contract x 1 year to undertake the Post-Registration Children's Nursing Student
Location of Post	<p>Children's Health Ireland (CHI), comprises of the three children's hospitals at CHI at Crumlin, Dublin 12, CHI at Temple Street, Dublin 1 and CHI at Tallaght, Dublin 24 and the Paediatric Outpatients and Urgent Care Centre, CHI at Connolly Hospital, Dublin 15. The new OPD and UCC in Tallaght is due to open in 2021.</p> <p>CHI's Programme Office, CHI Herberton is located in Rialto, Dublin 8 adjacent to the new children's hospital which is on the campus shared with St James's Hospital.</p> <p>The post holder will be allocated to a base hospital in Children's Health Ireland. Dependant on services needs in the base site, there may be a requirement to rotate to the Outpatients & Urgent Care Centre, CHI at Connolly.</p>
Context/ Background	<p>Children's Health Ireland (CHI) operates as a single service across the existing Dublin children's hospitals, Crumlin, Temple Street and Tallaght. Also, the paediatric outpatients and urgent care centres, Connolly which opened in July 2019 and Tallaght which is due to open in 2021. CHI governs and operates local paediatric services for the Greater Dublin Area and all national paediatric specialist services, some of which are on an all-island basis.</p> <ul style="list-style-type: none"> • Just under 25% of our population are children under 18 years of age. It was estimated in 2016 that 16% of our children have a chronic disease, such as, diabetes, allergies and asthma and this was increasing. 2% are acutely ill or have complex and multiple care needs requiring national services

Children's Health Ireland

	<ul style="list-style-type: none"> • CHI currently has a staff of 4,150 delivering care annually to 334,500 children, young people and their families through 39 clinical specialties and 442 in-patient & day care beds • 2019 activity: In-patients 24,500; Day cases 33,500; Outpatients 147,500; ED 129,000 <p>Ireland will have a world class new children's hospital that is purpose built to deliver the best care and treatments that are available for future generations to come</p> <p>The new children's hospital, which will open in 2023 will bring together the three children's hospitals into a world class building on a campus shared with St James's Hospital. This will be a leading campus in healthcare and research in Ireland, a leading adult teaching hospital, a children's hospital and in time, a new maternity hospital, when the Coombe Women and Infants University Hospital is relocated on the campus.</p> <p>CHI is leading on the clinical and operational transformation on how children's healthcare will be delivered in the future to deliver better, safer and more sustainable healthcare in the future. The new hospital is planned as the first 'Digital Hospital' in the system with the implementation of an Electronic Healthcare Record, as well as, other evidence based standards, such as, 100% single rooms.</p> <p>Children's Hospital Programme is a major programme of work led by CHI, focused on transformative service change to enhance services for children, young people and their families, to integrate the three existing hospitals, while maintaining existing and new services, ensuring patient safety and quality until transition is complete.</p> <p><i>For further information about CHI, check out our recruitment website www.CHI.jobs</i></p>
