Good to know...

- Please email / bring into the office your ID documents for copying
- Update us if your phone number or address change during the year.
- Visit the CRR office once a week in term time to sign the attendance register.
- You can work up to 20 hours a week during term time and full time during the holidays (study weeks & Christmas break). You can also work full time after course completion.
- The community placement is covered by your student visa.
- After course completion, you can apply for the two-year graduate visa.

Irish Visitor Visas

Some nationalities will need a Short Stay C Tourist visa to visit the Republic of Ireland.

As part of the application, you will need to send off your passport, so consider your travel plans.

The application is online and can take several weeks. The Dublin field trip is 21 March 2025, so applying in January would work well.
