GLOBAL MOBILITY OUTBOUND DESTINATIONS

A whole world of opportunities

Outbound Mobility Destinations

This list of our partner institutions and mobility opportunities are split into several categories:

- College-Wide Exchange Mobilities
- Erasmus & School Exchange Mobilities
- Other Types of Mobilities

College-Wide Exchange Mobilities

College-Wide Exchange mobilities are open to almost any student whose degree permits study abroad and who can find a suitable course combination. Restrictions apply. For more information on each host university please visit the partner university website and contact the listed Mobility Coordinator if necessary.

Students need to ensure that their host university is compatible with their subject combinations and their pathway, whether single or joint honours etc. The Mobility Coordinators will be able to help you check that the host university allows you to take enough credits in all your subjects.

Erasmus & School Exchange Mobilities

Erasmus and School Exchange mobilities are open to students studying in specific Schools or Departments. For more information on each host university please visit the partner university website and speak with the Mobility Coordinator in your School at Trinity.

While every effort is made to keep the information in this document up to date, if you do notice something that needs to be changed then please write to global.mobility@tcd.ie
