Registration Information – SF Dual B.A. Students 2024/25

Dual B.A Students can find information on how they will register for their core modules below. Please note all students taking Trinity Electives must register for these via Online Module Enrolment on a first-come first-served basis, please refer to the circulated document: **Trinity Electives for Trinity Columbia Dual B.A. Students.**

If Columbia University has granted a language exemption to you, please register for open modules as available to your programme.
A list of the Columbia Core Aligned modules are available at https://www.tcd.ie/tjh/dualba/

Programme	How do I register for core modules for my programme?	How do I register for Language Modules?	Who do I contact if I encounter issues when registering for my modules?
Biological and Biomedical Sciences (Neuroscience)	Our colleagues in the Science Course will manage your registration for your core modules and your language or science open module requirement. Please indicate your preferences through the form below by the 6th of August. Link for Language and Science open module Registration: https://forms.office.com/e/0AP7HeTKHc		If you encounter any issues completing the form, please make sure you are first logged into your college Microsoft 365 account. If you have further queries, please contact science@tcd.ie
Classics, Ancient History and Archaeology	The Academic Advisor for your programme, Prof Monica Gale (mrgale@tcd.ie), will gather your core module choices and you will need to respond by the appropriate deadline. They will then work with colleagues in the School of Histories and Humanities to register you to your modules ahead of term and all queries should be directed to them.	Languages are part of the core curriculum for this programme.	Queries should be directed to your Academic Adviser and ryanw1@tcd.ie. You will only use OME to register for Trinity Electives. Please see the information circulated to you about Trinity Electives.
