SF Open Modules – Film

2024-25

Please note the following:

- Students on Columbia Dual B.A. programmes normally avail of Open Modules in two instances - when they have obtained a language exemption or in cases where they only wish to take up one Trinity Elective. In the latter case, you must choose an Open Module valued at 5 ECTS only.
- This list of Open Modules is indicative and correct at the time of publication.
- Open modules are offered on a first-come, first-serve basis and a module may not be available to you in SITS for any number of reasons, including cancellation, a module reaching its capacity limit, or a timetable change that renders it incompatible with your programme.
- We would recommend that you prepare to select several Open Modules that may be of interest to you while being mindful of any prerequisites.
- The maximum number of credits a Columbia Dual B.A. student may take in Open Modules in SF year is 15 ECTS where there is a language exemption. Where there is no language exemption the maximum is 5 ECTS.
- When selecting Open Modules, we would recommend that you be mindful of the information in the 'Timetabling Block' column – if you are selecting two modules in the same block that are also in the same 'Period of Delivery' then these modules are likely to clash, and you may be required to select a different module from an alternative block/period of delivery.
- Students must achieve a balanced number of credits (30 ECTS) in each semester. You will not be able to complete online module enrolment without doing so.
- Some Module Descriptors are available online for Open Modules, please consult the 'Module Information' column to find relevant links where available. If there is no link available and you are seeking further information, you may wish to contact the Department office running the module.
- If you experience issues with the Online Module Enrolment system (OME) you should contact ome@tcd.ie – all other queries can be directed to your School/Department or ColumbiaDualBA@tcd.ie
