Trinity Joint Honours Programmes – Joint Honours Pathways in Year 2

All students on Trinity Joint Honours programmes will take 4 examinations, however the structure of examinations will depend upon the pathway chosen prior to the start of Senior Freshman year.

The information in this document pertains to students on the Joint Honours pathway - this means you are taking 20 credits in one of your subjects and 20 credits in your second subject and in Year 2, as well as 20 credits in Open Modules and Trinity.

Students on this pathway will complete 2 examinations in each subject as listed in the table starting on page 2.

Trinity Joint Honours students should look up both of their subjects on the table and use the information and codes listed when applying for Foundation Scholarship via the link provided from the Academic Registry to ensure they register to the correct examinations.
