Please check with the Disability Office about going abroad to enquire about supports available

Askds@tcd.ie - reference Erasmus

Please visit their [webpage for Outbound Students Erasmus Supports](#)

The screenshot shows a webpage from Trinity disAbility Service. The header is blue with the text 'Trinity disAbility Service' and a navigation menu with 'Menu', 'Home', 'Exam Supports', 'Student Supports' (highlighted), and 'Application for Reasonable Accommodati'. Below the header, there is a breadcrumb trail: 'SUPPORT & RESOURCES / ERASMUS DISABILITY SUPPORTS'. The main heading is 'Participation in the Erasmus programme by disabled students- both inbound and outbound'. The body text reads: 'Students who have secured reasonable accommodation with the Disability Service who are going on Erasmus- both inbound and outbound should contact their Disability Officer to discuss how best to prepare including disclosing a disability to a host university (Trinity in the case of inbound students) and seeking reasonable accommodations. This is best done as soon as possible after application and no later than the end of the 3rd week of June in the case of outbound Trinity students'.

Pathways and their impact on Erasmus and Study Abroad

As a TJH student you are expected to study your subject(s) while on exchange.

- You will choose your final degree pathway as part of progression to the Junior Sophister year.
- You have to mirror the ECTS requirements of your pathway
- Please consider any potential Capstone pre-requisite requirements
- Your Learning Agreement **must** be approved by your Mobility Coordinator(s) and this office (UCAO) before you go on exchange
- Your final degree award is based on your final two years, Junior Sophister is weighted at 30% and Senior Sophister is 70%

Exceptional Circumstances

- If necessary, students may leave their exchange provided they can return to Trinity before 4 week of teaching at Trinity.
- Front-loading – need permission from both Departments and UCAO – your responsibility to ensure you are registered to correct modules in Trinity
 - The majority of subjects cannot accommodate this
- You must take reassessment opportunities available to you at your host university – research timelines, format etc. You cannot be reassessed in Trinity.
- This session is just to get you thinking – we'll cover more detail next year when you have more context
